

“Shelter for the Smallest of Needs”

Dear Friend of New Eve,

Thank you for your prayers and support of New Eve Maternity Home.

In 2022, *thanks to you and by God’s grace*, New Eve served 8 moms and 17 children (7 newborns). That is love in action!

As we start 2023, our two homes are nearly full, and we are expecting three new babies in the coming weeks!

God is good! We could not do this work of sheltering moms and babies without His blessings and without you—our faithful prayer warriors and our generous benefactors.

You know that New Eve does not offer short term care for moms and their babies (like ultrasounds or diapers).

Rather New Eve offers long term care like housing, parenting classes, healthy lifestyle advice, career counseling, mentoring, dress for success classes, and a spiritual literacy program. **In short, New Eve provides physical, spiritual, emotional, and material support so that mothers can celebrate the gift of life free from fear.**

And like any home, we must address maintenance issues as they arise so that our homes are safe, warm, and welcoming. So that is why we reach out a few times a year to ask for your ongoing prayers and your financial support.

Thanks to our **“Heavenly Host” monthly donor program**, New Eve has been able to plan for the unexpected maintenance issues and build our long-term care programs for our moms so that they can welcome their baby and start on a new path in life full of confidence, opportunity, and hope.

The “Heavenly Host” monthly donation program gives the New Eve board confidence in their planning and decision making knowing that donations of all sizes will come in each month to support our two homes and the women and babies who live there.

Today, I am humbly asking you to consider joining the “Heavenly Host” monthly donor program. Donating on a monthly basis is easy to set up and provides steady income for our important pro-life, pro-family work.

Donations can be for as little as \$10 a month up to \$500 or more a month. These can be increased, decreased, or ended at any time.

over, please >

More importantly, you will feel good knowing your support—no matter your monthly gift size—is automatically making a difference in the lives of these vulnerable mothers and babies.

Matching Gift Challenge

I am happy to report that, during this holy season of Lent, **a generous anonymous donor has agreed to offer a matching gift challenge up to \$8,000!**

This donor will match (dollar for dollar) any one-time donation to New Eve! So, your \$25 gift becomes \$50, your \$50 gift becomes \$100, etc.

In addition, to help encourage friends to join the “Heavenly Host” monthly donor program, this anonymous donor has agreed to **double match** any new monthly donor! So, a new monthly gift of \$10 generates a one-time gift of \$30. A new monthly gift of \$25, generates a one-time gift of \$75, and so on. **This is an amazing opportunity to raise both one-time gifts and increase our “Heavenly Host” monthly donor program!**

As we turn our thoughts to the sacrificial season of Lent, I humbly ask that you prayerfully consider making New Eve one of your monthly charities. Your regular gift will help us continue to provide consistently warm, safe shelter for our mothers and babies. In addition, your gift will maintain a steady flow of support giving the New Eve board peace of mind knowing that our monthly expenses are covered.

Remember, no gift is too small or too large, and we greatly appreciate your prayers and your financial support to help maintain our homes for pregnant women in need.

Thank you for your prayerful consideration. May you have a blessed Lent and a glorious Easter! God bless you and your family,

Cabell Angle
President, New Eve Maternity Home

PS – Please help us meet our matching gift challenge of \$8,000! One-time gifts are matched dollar for dollar! Monthly gifts are doubled!

PPS – If you are already a Heavenly Host monthly donor, **THANK YOU!** As part of this Lenten appeal, would you prayerfully consider *increasing* your monthly donation by \$5 or \$10 per month?
